CAGE Code: 9KG29

WHO WE ARE

U.T.L Dispatching LLC (Underdog Trucking and Logistics) is a woman-owned company dedicated to transforming the logistics industry. We provide top-tier carrier and logistics support, fostering strong relationships with freight shippers and manufacturers. In addition, we handle compliance management and are committed to workforce development by supporting reentry bodies, veterans, and aged-out foster care individuals, introducing them to the trucking industry as a pathway to success.

CORE COMPETENCES

- **Route Planning:** Efficiently plan and optimize transportation routes to ensure timely and cost-effective delivery of goods.
- **Communication Skills:** Effectively communicate with drivers, suppliers, and internal teams to coordinate logistics operations and address any issues that may arise.
- **Knowledge of Regulations:** Stay up-to-date with transportation regulations, safety standards, and compliance requirements to ensure legal and regulatory adherence.
- **Technology Proficiency:** Utilize logistics and transportation management systems, GPS tracking, and other technologies to streamline operations and enhance efficiency.
- **Time Management:** Prioritize tasks and manage schedules to optimize delivery timelines and minimize delays.
- **Adaptability:** Flexibility to adapt to changing circumstances, such as weather conditions, traffic, and unforeseen events, to keep logistics operations running smoothly.

DIFFERENTIATORS

- **Customized Solutions:** Develop personalized logistics solutions tailored to the specific needs and preferences of clients, offering flexibility and adaptability.
- **Strategic Partnerships:** Foster strong partnerships with reliable carriers, suppliers, and other key stakeholders to ensure a seamless and reliable supply chain.
- **Cost Optimization:** Employ efficient route planning, load optimization, and negotiation skills to minimize costs while maintaining high-quality logistics services.
- **Data-Driven Decision Making:** Utilize data analytics and key performance indicators to make informed decisions that enhance overall efficiency and performance.
- **Customer-Centric Approach:** Prioritize customer satisfaction by offering excellent communication, responsiveness, and proactive problem-solving throughout the logistics process.
- **Emergency Response Planning:** Develop robust contingency plans and emergency response strategies to address unforeseen challenges and disruptions in the supply chain.

FEATURED CLIENTS
